

Frank

 **EUREKA**

Functional chic

Frank's unique combination of faceted shade, clean styling, and palette of 22 colors makes it a creative addition to a designer's toolbox. High quality illumination, sound-absorbing capacity and optional uplighting round out its appeal, enhancing the way a contemporary space looks and feels.

Products shown: Frank OBF / Scout 4049-10 LGE

A thermoformed PET felt acoustic shade gives a beautiful volume and shape to Frank. The luminaire's powerful light source projects light onto a rounded diffuser, creating illumination that is both elegant and efficient. Two outputs are available for up to 2943 delivered lumens.

Uplight chic

Frank uses a second optional light source, controlled independently, for great uplight performance up to 1862 delivered lumens.

A range of colorful power cables are available for an extra pop of color.
