## Softness looks sharp

Absorb noise in common and public areas with Mill acoustic luminaires, for an original soft aesthetic and atmosphere enhancing functionality.

With multiple sizes, colors and mounting options, optional upright as well as an unlit version, Mill will help with volume control while adding a stunning design element to the decor.

reddot winner 2021

Increase the acoustic comfort of a space with the Mill family of scalable fixtures. Maintain a cohesive look with the choice of sixteen sizes, two mounting types and multiple light outputs.

Mill is available in 30 felt color options to add bursts of colors in a space. See Acoustic Color Options page, for all options.
